

§ 1960.7

29 CFR Ch. XVII (7–1–11 Edition)

effectively the interest and support of the agency head in the management and administration of the agency occupational safety and health program. This Designated Agency Safety and Health Official should be of the rank of Assistant Secretary, or of equivalent rank, or equivalent degree of responsibility, and shall have sufficient headquarters staff with the necessary training and experience. The headquarters staff should report directly to, or have appropriate access to, the Designated Agency Safety and Health Official, in order to carry out the responsibilities under this part.

(b) The Designated Agency Safety and Health Official shall assist the agency head in establishing:

(1) An agency occupational safety and health policy and program to carry out the provisions of section 19 of the Act, Executive Order 12196, and this part;

(2) An organization, including provision for the designation of safety and health officials at appropriate levels, with adequate budgets and staffs to implement the occupational safety and health program at all operational levels;

(3) A set of procedures that ensures effective implementation of the agency policy and program as required by section 19 of the Act, Executive Order 12196, and the program elements of this part, considering the mission, size, and organization of the agency;

(4) Goals and objectives for reducing and eliminating occupational accidents, injuries, and illnesses;

(5) Plans and procedures for evaluating the agency's occupational safety and health program effectiveness at all operational levels; and

(6) Priorities with respect to the factors which cause occupational accidents, injuries, and illnesses in the agency's workplaces so that appropriate corrective actions can be taken.

(c) The agency head shall assure that safety and health officials are designated at each appropriate level with sufficient authority and responsibility to plan for and assure funds for necessary safety and health staff, equipment, materials, and training required to ensure implementation of an effective

occupational safety and health program.

§ 1960.7 Financial management.

(a) The head of each agency shall ensure that the agency budget submission includes appropriate financial and other resources to effectively implement and administer the agency's occupational safety and health program.

(b) The Designated Agency Safety and Health Official, management officials in charge of each establishment, safety and health officials at all appropriate levels, and other management officials shall be responsible for planning, requesting resources, implementing, and evaluating the occupational safety and health program budget in accordance with the regulations of the Office of Management and Budget Circular A-11 (sections 13.2(f) and 13.5(f)) and other relevant documents.

(c) Appropriate resources for an agency's occupational safety and health program shall include, but not be limited to:

(1) Sufficient personnel to implement and administer the program at all levels, including necessary administrative costs such as training, travel, and personal protective equipment;

(2) Abatement of unsafe or unhealthful working conditions related to agency operations or facilities;

(3) Safety and health sampling, testing, and diagnostic and analytical tools and equipment, including laboratory analyses;

(4) Any necessary contracts to identify, analyze, or evaluate unsafe or unhealthful working conditions and operations;

(5) Program promotional costs such as publications, posters, or films;

(6) Technical information, documents, books, standards, codes, periodicals, and publications; and

(7) Medical surveillance programs for employees.

§ 1960.8 Agency responsibilities.

(a) The head of each agency shall furnish to each employee employment and a place of employment which are free from recognized hazards that are causing or are likely to cause death or serious physical harm.
